

TWINFYR

Dual Flavor 510 Thread Battery

Vape two 510 thread carts at once—or switch between them—with the TWINFYR’s versatile dual mode design. Compact yet powerful, it features a smart display, 650mAh battery with USB-C fast charging, four voltage settings, and a preheat function. Perfect for mixing flavors or alternating strains, TWINFYR delivers smooth hits in a stylish, pocket-friendly device.
